Aspiring Data Scientist with a background in Accounting (associate degree) and 4 years of experience in the manufacturing industry, including both technology and food manufacturing. Strong foundation in data analysis, statistical modeling, and machine learning. Proficient in Python, SQL, Power BI, and tools like VS Code, Pandas, and NumPy. Experienced in data preprocessing, exploratory data analysis, and predictive modeling. Adept at communicating data insights to both technical and non-technical stakeholders. Passionate about leveraging data to drive business decisions, solve real-world problems, and optimize financial processes. Eager to apply analytical skills and grow in a challenging data science environment.

EDUCATION

DIBIMBING.ID – Jakarta, Indonesia 2024 - 2025

Data Science Program | Score: 90/100

- Focus on statistics, data analytics, machine learning, and data visualization
- Technical Skills: Python, SQL, Tableau, Google Data Studio, Streamlit
- Techniques Learned: Hypothesis Testing, Linear Regression, Ridge/Lasso Regression, Decision Trees, Random Forest, K-Means Clustering, Logistic Regression

State Polytechnic of Malang – Malang, Indonesia 2019 - 2022

Associate Degree in Accounting | Current GPA: 3.65/4.00

- Member of Tax Center at State Polytechnic of Malang (September 2019 – June 2022)
- Member of Student English Club at State Polytechnic of Malang (September 2019 – June 2022)

PROFESSIONAL EXPERIENCE

Tatsukichi Co., Ltd. – Japan 2024 - Present

Food processing Operator

- Process food materials to produce high-quality products, ensuring consistent production outcomes.
- Collaborate with the team to ensure optimal material availability and production quantities.

PT. Putra Jaya Nanas – Indonesia 2022

Financial Systems Operator (Intern)

- Managed financial data using company systems to ensure accurate reporting and financial control.
- Improved financial data accuracy and processing speed by 55%, streamlining workflows through the implementation of automated tools.

Min Aik Technology SDN.BHD – Malaysia 2016 - 2018

Assistant Calibration Technician

- Monitored and controlled production equipment, ensuring smooth operations before production starts.
- Reduced downtime by 85% by working closely with technicians to optimize machine calibration and performance.

Min Aik Technology SDN.BHD – Malaysia 2015 - 2016

Incoming Quality Control

- Inspected materials for quality before production, maintaining high-quality standards.
- Contributed to a 75% reduction in quality control issues by improving the inspection and reporting process, ensuring better compliance with production standards.

CERTIFICATION & TRAINING

- Food and Beverage Manufacturing Industry Specified Skilled Worker by OTAFF Indonesia (2023).
- CMM Machine with PC-DMIS PRO Basic Training – COTEL PRECISION INDUSTRIES SDN.BHD Malaysia (2018).

- Control of Monitoring and Measuring Equipment for Calibration – Min Aik Technology SDN.BHD Malaysia (2016).
- Incoming Quality Control Plan – Min Aik Technology SDN.BHD Malaysia (2015).

SKILLS

Soft Skills:

- Strong Communication & Teamwork
- Leadership & Initiative
- Analytical & Logical Thinking
- Problem-Solving & Critical Thinking
- Curiosity & Desire to Learn

Technical Skills:

- Data Visualization, Data Scraping
- Programming Languages: Python, Java, SQL
- Data Analysis & Visualization Tools: Tableau, Google Data Studio, Streamlit
- Business Intelligence: Power BI
- Machine Learning: Pandas, NumPy, Scikit-learn
- Microsoft Office Suite: MS Word, PowerPoint, Excel

Language Skills:

- Indonesian – Native
- English – Professional Working Proficiency
- Japanese – JLPT N4
